

Name: Jennifer McCartney

Organisation: National Grid

Job Role: Development Engineer (HVDC)

- Motivation for nominating yourself:
  - I have thoroughly enjoyed my time as the communications assistant. It has expanded my network, by introducing me to other NGN members as well as Cigre UK members.
  - I am motivated to further expand the NGN network, and to increase awareness of NGN to the CIGRE UK members. By continuing to use the monthly newsletter and social media, the NGN can highlight the opportunities members have to get involved in different events or working groups.
  - Future ideas for communications team:
    - Monthly comms meeting to discuss progress with actions, before steering committee meeting.
    - More focus on Social media
    - More focus on website design and content
  
- Any previous relevant experience:
  - NGN communications assistant March 2017 – present
    - Completing bi-monthly newsletter
    - Involved with events – Hunterston/ NGN 10 year
    - Ad-hoc messages that require to be sent to members
    - Assisting Martin Ansell on the website
  - Development Engineer
    - Organisational skills
    - Management of multiple stakeholders
