

Women in Energy – USA Overview

Mandy Olson

January 25, 2023

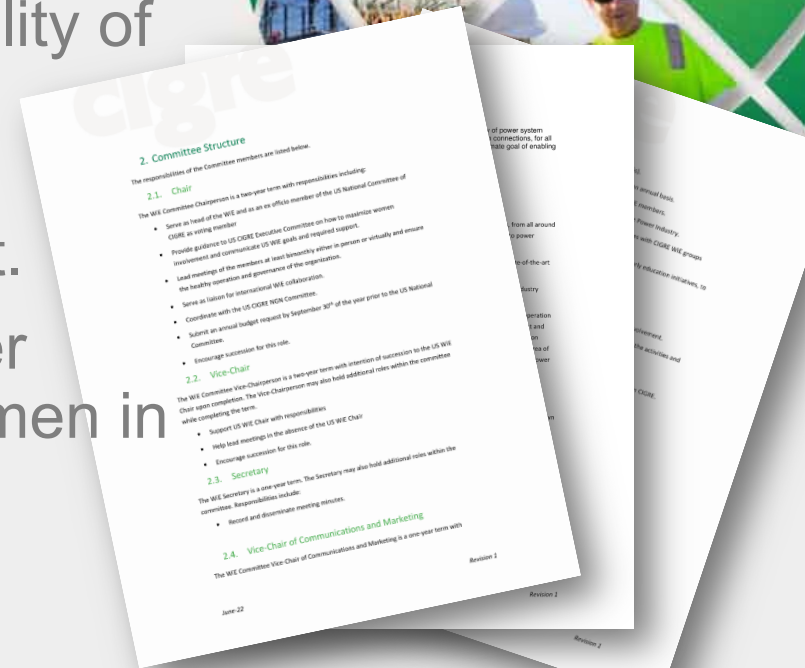

cigre

For power system expertise

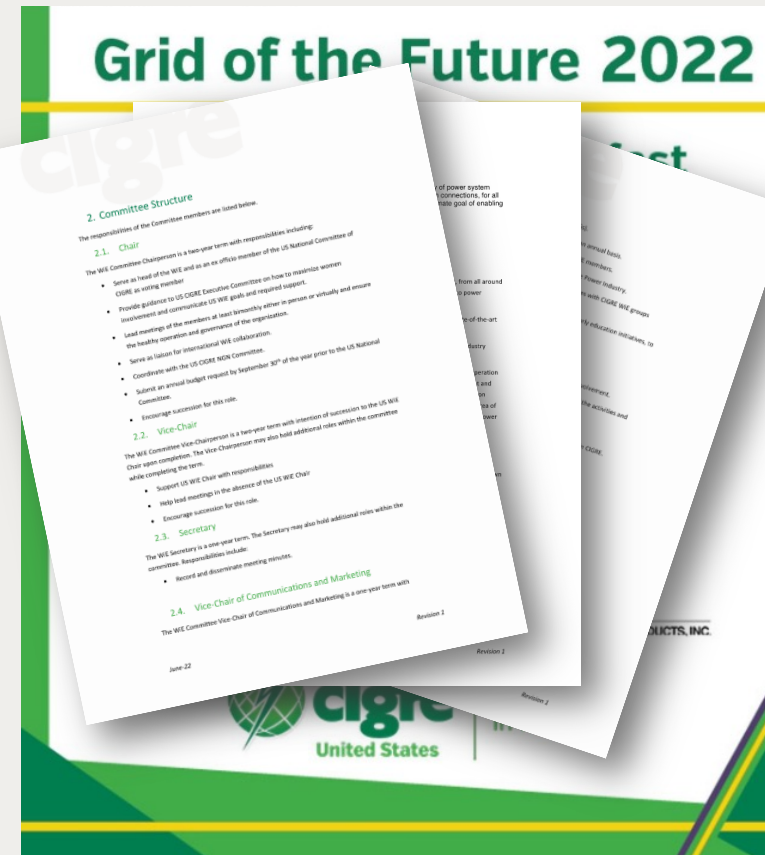

Objectives

- Ensure the interests of women are represented within U.S. CIGRE, both for their own benefit and for the future sustainability of CIGRE.
- Provide opportunities for personal, professional, and technical development.
- Identify existing or new awards and other ways of recognizing contributions of women in CIGRE

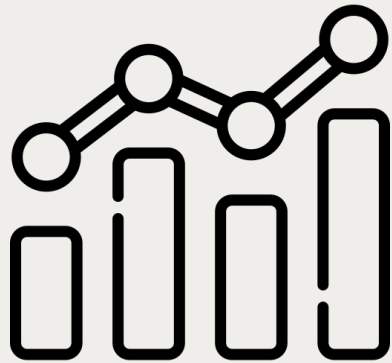

What We Have Achieved

- Charter Approved - We have defined roles/responsibilities!
- Strengthened our Women in Energy Breakfast
- Started Mentorship Program
- Short term goals are identified
 - Define metrics for success
 - Partner with universities and Society of Women Engineers to grow number of Women in Energy
 - Host annual breakfast event
 - Host annual training/development workshop
